RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents

Washington, DC 20231

Dear Sir:

The Office Action dated July 31, 2003 wherein the Examiner has set forth a restriction requirement has been fully considered by the Applicant.

It is believed that the Examiner could consider all of the claims of the application at one time and, therefore, that the restriction requirement is not necessary. Nevertheless, Applicant elects with traverse Group I that is directed to claims 1-13 drawn to an aircraft structure with a pair of coanda in the instant application. Applicant reserves the right to file a divisional application on the Group II set of claims drawn to claim 14.

Respectfully submitted,

DOERNER, SAUNDERS, DANIEL & ANDERSON
